Production Notes

As the park comes to life with the daily activity in support of evening shows, it is time to thank everyone for helping to get the show up and running! Our great production teams: costume, paint, props, electrics, set, sound, orchestra, cast and running crews, you have done yeoman's work under some trying circumstances to mount this show. A very special thank you goes out to our parent and adult volunteers who once again have proved to be an indispensable and valuable part of our collaboration! Thanks also to Al's "facilitators" who have been extremely important team members, and to everyone on the administration staff.

Now that we have opened, some of our staff members begin to return to their lives prior to *Millie's 1922* New York. We wish you well!

For us, *Thoroughly Modern Millie* has delivered what it promised. It is a high energy, high styled, delightful and playful romp of a musical that is both beautiful to behold and hear. It is destined to be a real crowd pleaser. Bring on the "roaring" crowds.

~~ Wayne Kischer, Associate Producer

Mainstage Musical Announcements

LATE NIGHT PHOTO SHOOT SATURDAY, JULY 14TH AFTER THE SHOW

The *Thoroughly Modern Millie* professional photo shoot will occur after the first Saturday's show. This will begin late at night due to the length of the show, so please plan to be at the park as late as 2:00 AM. We'll serve a snack to the cast, crew, and orchestra (staff, too!) and then start the shoot.

Parents, consider allowing us to take photos of your student, instead of trying to snap photos with your own camera, which tends to slow down the process (and make the event go longer!). You may come in to the Trollwood office in the fall or any time throughout the school year and order prints from our photos. Mike Benedict is taking these official photos for us, and will post them to a web site as well.

Brush Up Rehearsals

Wednesdays, July 18 and
July 25th, 1:00 pm

All cast, crew and orchestra members:

After our few dark days from the show, we will do a daytime run-through with all technical elements except for costumes and makeup.

These brush ups are very important and attendance is **mandatory** for all cast, crew and orchestra.

Strike Details

Monday July 30th (unless we add a show due to rain outs)

Tuesday, July 31st and Wednesday, August 1st (Hours TBA)

All cast, crew and orchestra members are required to participate.

Please notify Vicki Chepulis, Executive Director, immediately in writing if you have a conflict with strike.

If students do not participate in strike, they will not be allowed to attend the production party on Wednesday evening, August 1st. Ten hours of tech work are required by all cast and orchestra members by the completion of the run of the show. This is a prerequisite for attendance at the Production Party. If you have not completed your tech hours, please connect with the stage manager or an adult crew chief to determine their work needs and schedule to find a time to complete your hours.
